Breakfast Club Provision September 2017

Dear Parents,

As you will be aware from the recent media attention on school funding, the amount of money being allocated to schools is extremely tight and over the coming years this trend is expected to continue.

As part of our budgeting exercise we have reviewed all of our expenditure and have unfortunately come to the conclusion that being able to run a Breakfast club is no longer a viable option. The cost to the school far outweighs the income that is generated and in the current climate running such a facility at a loss is not possible. As such there will be no Breakfast club from the start of the new academic year in September.

We understand the difficulty that this may cause to some families who use or have used the Breakfast club and would ask that any parents who feel that they need to bring their children to school before 8:30am discuss this with Mrs Sweet or Mrs Woodland to see what alternative arrangement may be made on a term by term basis.

We hope that you will understand we continue to act in the best interest of all of our children.

Sincerely,

The Governors of Chilham St Mary's CEP School
