

# Herons Class

## Term 1 Newsletter

We would like to offer a warm welcome back to all children for a new and exciting term ahead. I hope all families had a lovely summer break.

My name is Miss Uttley and I am thrilled to now be teaching in Herons class and working here at Chilham School! I very much look forward to meeting more of you and getting to know everyone throughout the school year.

This term our topic is Dinosaurs which will involve plenty of research, discussion and opportunity for discovery.

This week will mainly involve settling the children back into daily school routine, finding our feet and getting set up for an interesting and fun-filled term of learning. We will revisit and cover basic skills in all subjects ensuring the children are well prepared and ready for the autumn term.

We will continue to change reading books every Monday, Wednesday and Friday. We value your support in encouraging your children's reading skills at home 😊

Please do not hesitate to contact us if you have any questions.
