18<sup>th</sup> September 2017

Dear Parents/Carers,

### **Change to date of interactive 'Genee' board demonstration**

Following the letter which went out last week, I would like to make you aware that the demonstration of our new interactive boards which was due to take place after school this Wednesday 20<sup>th</sup> will now take place on Tuesday 26<sup>th</sup> September.

### **Jeans for Genes Day**

On Friday 22<sup>nd</sup> (this week), children are invited to leave their uniforms at home and come in non-school uniform wearing jeans. The minimum donation is £1 per child (though feel free to give more!) and all money raised will go to this worthwhile charity to help people born with genetic disorders.

### **Reminder about sickness regulations**

We do encourage full attendance at school wherever possible, and with some minor illnesses it is fine for your child to attend school if they feel well enough. However, with certain illnesses your child should remain at home to recover and to minimise the risk of passing the virus on to others.

If your child has a sickness bug, they should not return to school until 48 hours have past since the last episode of diarrhoea or vomiting. These guidelines are issued by the Health Protection Agency, and are to minimise the risk of passing on the virus to others as they remain infectious for a period even after the symptoms have passed. If you are unsure, please telephone the school office for further advice.

*Mr Geeves*

Deputy Headteacher
