Dear Parents/Carers,

Welcome back to a beautiful start to the new term. I hope you all enjoyed the break and are rested and ready for the new term ahead. We've celebrated the warm weather this week by playing in the park as a reward for gaining our ten marbles last term!

We've got a very busy term ahead with lots of exciting events and learning opportunities lined up. We are continuing our topic from last term 'Hot and Cold'. We will carry on looking at Africa but will begin to focus on colder climates in Canada. As always, if you have any pictures, souvenirs or information relating to our learning, you are always most welcome to share!

This term it is our turn to deliver our class assembly in the church and we really hope to see you all there on **Friday 22nd March at 2pm.**

Other dates for your diary:

World Book Day - Thursday 7th March

To celebrate World Book Day the children can wear their pyjamas or a onesie to school and bring their favourite bedtime story with them (labelled with their name). To celebrate our love of books at Chilham St. Mary's we will be having a range of book based activities all day and enjoying a 'Big Bedtime Story'.

British Science Week: 11-14th March

We are really looking forward to celebrating Science Week this year and will kick-start the activities with a Scientist dress-up day on Monday 11th March. We will be spending the week undertaking experiments, studying data and doing lots of practical activities to get children excited about what Science has to offer. Please keep an eye out for volunteer requests to help with our kite-making!

Comic Relief – Friday 15th March

Details to follow!

With warmer weather approaching, please ensure your child is bringing a named water bottle to school for playtimes and to take down to the school garden. Names in jumpers are also important to avoid mix-ups. Please continue to complete the homework grid in your child's book from last term as we are continuing with our topic. As always, we greatly value your support with your child's reading at home to

reinforce and practise key skills which really enable them to broaden their vocabulary and access learning further.

Please get in touch if there are ever any questions and I look forward to sharing all of the children's hard work and successes this term.

Many thanks for your support,

Miss Uttley & Mrs Fincham
