4<sup>th</sup> March 2019

Dear Parents/Carers

### **British Science Week – 8<sup>th</sup> to 14<sup>th</sup> March 2019**

British Science Week is a celebration of science, technology, engineering and maths and we are planning an exciting 4 days full of activities and opportunities in school (11<sup>th</sup> – 14<sup>th</sup> March).

If there are any parents, carers or family members who, as part of their job, are involved in science, technology, engineering or maths and would be willing to come into school to talk to a class about their job, we would love to hear from you! We think it's really important that the children have an awareness of the many career opportunities that involve science and the diversity of the subject. We are hoping to have speakers talk to groups of children on the morning of Wednesday 13<sup>th</sup> March but can work around dates and times to suit you in that week.

Please come and see me on the playground at the end of the day or leave a message at the office if you would be willing to come in.

I look forward to hearing from some of you!

Thank you for your support.

Yours sincerely

*Miss Uttley*

Miss R Uttley  
Science Co-ordinator
