

Year group: Reception

Time Allocation: 1 term

Date: Autumn term 1

Teachers: Mrs James/Mrs Keir

Communication and Language:

Sharing Special Books and describing their weekend. Listening to each other.

Following basic instructions and learning our new routines.

Listening to stories and responding with their thoughts.

Role play in our home corner.

Act out the stories we are focussing on.

Into the woods

Owl Babies

Window

We're Going on a Bear Hunt

Goldilocks and the three Bears

Literacy:

Stories - retell and act them out.

Use puppets and pictures to order the events from our stories.

Go on a Bear Hunt.

Learning to use writing resources during CIP.

Letters and Sounds - Phase one games; instrument sounds, listening ears, Postman's knocking, over the river. Begin Phase 2.

Physical Development:

P.E. - This term we will be focussing on moving in a variety of ways and showing an awareness of space.

Clever hands activities on a daily basis to improve fine motor control - tweezers, peg boards, threading, scissor skills, construction, playdough etc.

How to change for P.E. and independence around the class.

Write dance—focus on patterns.

WHY?

The children will be exploring and learning to care for our school environment and accessing Forest School for the first time.

The stories are familiar and easy to access.

Mathematics:

We will focus on comparing sizes and the related language.

Look at our ages and how we have grown and changed. Can we order these numbers?

Number basics securing knowledge of 1 to 10. IWB games, 2D shapes and their properties.

Personal, Social and Emotional Development:

Sharing fairly and taking turns during CIP and playing games.

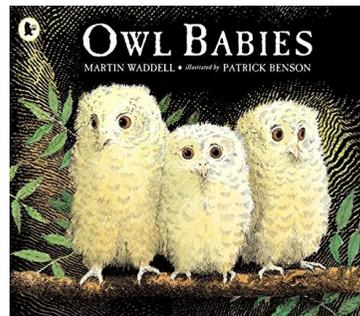

Learning our school reward systems.

Independence in tasks throughout the day.

RE:

Listening to our school prayers and gradually taking part in whole school worship.

Creation—why is the word 'God' so important to Christians?

Understanding the World:

Outdoor learning at Forest School.

Explore signs of Autumn in our Autumn tray.

Meeting real owls and talking about their features.

Use website poissonrouge.com to learn basic mouse skills in ICT.

Gardening in our new raised bed.

Expressive Arts and Design:

Create all the textures from We're Going on a Bear Hunt.

Dance each day copying moves with rhythm.

Singing Goldilocks songs and other rhymes.
