PUPIL PREMIUM POLICY STATEMENT 2019-20

Policy Statement Agreed: September 2019
Policy Statement Review: September 2020

At Chilham St Mary's, we are a diverse, loving community of learners, committed to providing firm foundations where everyone can grow in the knowledge and power of God's love. We encourage and support every individual to explore and achieve their own potential, rooted within our unique, historic environment.

Responsible people named in this policy:

Headteacher: Delia Cooper

Chair of Governors: Dr Jennie Litten-Brown

SENCO: Emma McQuillan

Overview

At Chilham St. Mary's Primary School, we believe that all our children have an equal entitlement, and should have an equal opportunity to:

- Develop imagination and creativity
- Acquire skill and abilities
- Have a love of learning

The school receives funding from the Government to support it in trying to meet this aspiration. This is known as Pupil Premium. The pupil premium grant is additional funding for publicly funded schools in England. It is a school-level grant that gives schools extra resources to help them meet challenges, including those arising from deprivation.

It is allocated for schools to:

- improve the academic outcomes of disadvantaged pupils of all abilities
- close the attainment gap between disadvantaged pupils and their peers across the country

The Pupil Premium was introduced in April 2011, and paid by means of a specific grant based on school census figures for pupils registered as eligible for FSM in Foundation Stage to Year 11. This category now includes any child that has been registered for FSM in the past 6 years (known as "Ever 6 FSM"). For looked after children the Pupil Premium was calculated using the Children Looked After data returns (SSDA903). A premium has also been introduced for children whose parents are currently serving in the armed forces. This service premium is designed to address the emotional and social well-being of these pupils. Children who

have been adopted from care on or after 30 December 2005, or left care under a special guardianship order or a residence order are also entitled to Pupil Premium.

The Pupil Premium is additional to main school funding and it will be used by this school to address any underlying inequalities between children eligible by ensuring that funding reaches the pupils who need it most.

Objectives

- Chilham St. Mary's Primary School will ensure that the additional pupil premium funding reaches the 4 groups of pupils for whom it was intended and that it makes a significant impact on their education and lives.
- The Pupil Premium will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these pupils.
- The Pupil Premium funding will be used to narrow and close the gap between the achievement of these pupils and their peers.
- As far as its powers allow, the school will use the additional funding to address any underlying inequalities between children eligible for Pupil Premium and others.

Strategies

- Pupil Premium will be clearly identifiable within the budget.
- Eligibility for the Pupil Premium will never be confused with low ability; it will focus on supporting our disadvantaged pupils to achieve the highest levels.
- The SENCO is responsible for monitoring the impact of Pupil Premium provision alongside the Headteacher and Governing Body.
- The SENCO will receive regular training on how to 'close gaps' with 'other' children.
- Governors are actively involved in the decision making and evaluation processes.
- Effective monitoring and evaluation of the impact of spending.
- Strategies used will be personalised according to the individual needs of the children and their family.
- Progress tracking procedures will be used effectively to identify the strengths and weaknesses of individual pupils and groups eligible for Pupil Premium, and target intervention and support to accelerate progress.
- Achievement data is regularly used to monitor the effectiveness of interventions; continuously adjusting provision to meet the needs of the pupil if necessary.
- Class teachers and teaching assistants are aware of Pupil Premium children in their classes so they can take responsibility for their progress.

Perseverance

- The school recognises that the wider curriculum supports and enriches children’s development in communication, English and Maths, and therefore funding will also be allocated to enable children to participate fully and actively in wider and extra-curricular activities.
- Appraisal of staff will include discussions about Pupil Premium children.
- Pupil Premium network meetings will be attended to ensure networking with other schools and the sharing of practise.

Reporting

It will be the responsibility of the Headteacher or the SENCO to report to the Governors on:

- The progress made toward narrowing the gap for socially disadvantaged pupils
- An outline of the provision that was made since the last meeting
- An evaluation of the cost effectiveness and impact of the provision in terms of the progress made by the pupils receiving a particular provision.

The Governors of the school will ensure that there is an annual statement to parents on how Pupil Premium funding has been used to address the issue of ‘diminishing the difference’ for socially disadvantaged pupils. This task will be carried out within the requirements published by the Department for Education and will appear on our school website.

Outcomes

This policy will play an important part in the educational development of the individual pupils who are entitled to the Pupil Premium. The school will ensure that these pupils are treated equally and as favourably as others and that the additional funding is used well to address the challenges they face. The school will use the additional funding to promote the achievement and progress of all entitled pupils. Through considered use of this additional funding our school is fully committed to ensuring that the individual needs of each entitled child are met. As a result of the additional funding, these children will make better progress and achieve higher standards than would have been likely without it.
