17th March 2020

Dear Parents and Carers

Further to my letter yesterday, I am aware that Government guidance has now changed. The latest guidance is that if one person in any household is displaying any symptoms associated with the COVID-19 virus, everyone living in that household must stay at home and self isolate for 14 days. As you know, guidelines are changing on a daily basis and we will do all we can to keep you fully informed.

Further information can be found on the NHS website <https://www.nhs.uk/conditions/coronavirus-covid-19/>

The Department for Education coronavirus helpline is available to answer questions about COVID-19 relating to education and children's social care. Staff, parents and young people can contact this helpline as follows: **Phone: 0800 046 8687 Opening hours: 8am to 6pm (Monday to Friday).**

Please keep reinforcing the washing hands rules to your children - The e-Bug project is led by Public Health England and has a dedicated webpage for learning resources on hand washing and respiratory hygiene. Resources are currently available for KS1, KS2 and KS3 and can be used in various settings including schools: <https://campaignresources.phe.gov.uk/schools>

School Events

In the light of the current situation we have decided to avoid activities that involve or include the wider community until things settle down.

- There will be no Easter Service in the church this year; the children will celebrate Easter in their own classes.
- Swimming (the last 2 sessions) for Martins Class has been postponed and we plan to reschedule these later in the year.
- The football match against Challock Primary School due to take place on Friday has been cancelled. All planned football and out of school sports events to be cancelled until further notice.

Home Learning

We are sending out a separate letter tomorrow with information and links for home learning if your child is unable to attend school.

Thank you for your continued support

Kindest regards

Delia Cooper
