Dear Parents and Carers

Morning Club Provision from September 2020

Assuming there are no changes to current Government guidance and that primary schools will be welcoming all children back in September, we would like to ascertain the likely numbers of children who will want to access our Early Morning Club. Children can be dropped at school from 8:00am where they will be supervised by Mrs Talbot, one of our teaching assistants. Please note, we do not provide breakfast.

The cost will be £2.50 per session if booked and paid for up to midnight the day before via the ParentMail system. Sessions attended which are not pre-booked and paid for will be charged at £4.00 per session.

We are sending out a very short ParentMail survey with this letter to find out whether you will be requiring this provision for your child from September. We need to have an idea of numbers so that we can plan appropriately and safely for the children and staff and would therefore be most grateful if you could take a few moments as soon as possible to complete it. You will find it on your ParentMail app under the 'Forms' tab.

Thank you for your continued support.

Yours sincerely

Headteacher
