

English Writing:

This term, our novel is Journey to the River Sea by Eva Ibbotson. We will be using this as stimulus to write our own adventure narrative. We will have a special focus on figurative language and using speech to enhance action and show character.

SPaG:

Year 5: Past, present and future tense
Year 6: Active and passive voice and commas to avoid ambiguity

Chilham Readers:

In Chilham Readers, we will be using our VIPER skills while reading a variety of texts about Brazil (YR 5) and Trade (YR 6)

MFL

French- Family and Friends.

Art:

Our Art this term will involve printing techniques, mark making and collage (inspired by our class novel)

Maths

This term, we will be focusing on percentages, decimals and fractions as well as units of measurement.

PE

In PE, we will be doing dance on a Tuesday afternoon with Mrs Keir.

Computing:

This term, we will be collecting data about the trade of different commodities and presenting it in graphs, using Microsoft Excel.

Peacocks Term 4

RE

Our big question in RE this term is "What did Jesus do to save human beings?" We will be focusing on:

- What is the meaning of Jesus' death and resurrection
- Who was responsible for Jesus' death?
- Why did Jesus die?
- Why do Christians receive the Eucharist?

Topic

Our topic this term is "Trade". We will be focusing on:

- How we are linked to other places and people through global trade
- The global trade of commodities and manufactured goods- focus on import and export data
- How and why supermarkets are global companies
- How goods and services are transported
- The production of the first mobile phone and the effects it has on peoples lives
- Ethical trade

Science

Our science focus this term is the human circulatory system. We will be learning about:

- The function of the heart
- The function of the blood
- The function of the blood vessels
- How water and nutrients are transported within humans
- We will consider arguments for and against the use of animals hearts to repair human hearts
