Academic year or years covered by statement	2021-24
Publish date	01 December 2022
Review date	01 November 2023
Statement authorised by	Delia Cooper Head Teacher
Pupil Premium lead	Sarah Webb SENCO
Governor lead	Dr Jennie Litten Brown Chair of Governors

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£34,625
Recovery premium funding allocation this academic year	£3,625
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	N/A
Total budget for this academic year	£38,250

Statement of Intent

Our overall aim is to ensure that all pupils irrespective of their background, family circumstances or challenges make good progress and achieve well from their starting point. The whole school community is committed and focused to develop pupils into young people who feel encouraged and supported to explore and achieve their own potential.

At Chilham, our core Christian values of love, trust, respect, honesty, forgiveness and perseverance are at the heart of everything we do and it is embedded within our curriculum and the opportunities that we provide for our children. We are a dedicated team who strive to set high expectations for all pupils and celebrate their successes.

High quality teaching is at the heart of our approach, with a focus on areas in which disadvantaged pupils require the most support. Teachers use the Mainstream Core Standards, as well as working alongside the SLT and external professionals to support these pupils. This has proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school.

The key principles to our strategy are that disadvantaged children have high quality teaching and early intervention to support any emerging learning needs and passionate teachers who champion them and the opportunity to experience wider curriculum opportunities.

Strategy aims for disadvantaged pupils

Measure	Activity	
Priority 1	Ensure all relevant staff have received training to deliver the phonics scheme effectively.	
Review November 2022		
All staff have completed the Littl will be asked to complete Little V	e Wandle Letters and Sounds Revised. All new staff Vandle training.	
Priority 2	Work with the maths hub to embed Teaching for Mastery across all year groups	
Review November 2022		
•	oport teaching staff with embedding maths mastery into attends relevant CPD to support his role within school.	
Barriers to learning these priorities address	Ensuring staff use evidence-based whole-class teaching interventions.	
Review November 2022	·

Targeted academic support for current academic year

Measure	Activity	
Priority 1	Embed the use of Accelerated Reader across all year groups to increase reading for pleasure	
Review November 2022		
Accelerated Reader is now embedded from Year 2 to Year 6, and for some pupils in Year 1.		

Review November 2022

Our focus is on 'Targeted Same Day Intervention' to ensure that any misconceptions are dealt with either on the day or as soon as possible. We have also used some of our NTP funding to run after school maths tutoring for identified pupils.

Barriers to learning these priorities address	Encouraging wider reading and providing catch-up in mathematics
	mainemalics

Review November 2022

Our English Lead has introduced Chilham Readers, this focuses on teaching the skills for reading through a range of text, both fiction and non-fiction. Each class has a weekly library slot where they are encouraged to choose their own books from our well-resourced library. We have also set up Reading Buddies between Year R and Year 6.

All children have access to Times Tables Rock Stars and identified pupils have been chosen as part of the NTP funding to attended additional maths tutoring sessions, after school for 15 weeks.

Projected spending	£15,000

Wider strategies for current academic year

Measure	Activity		
Priority 1	Embed the Morning and After School club.		
Review November 2022			
Morning and After School club run 5 days a week. They are widely accessible and available for all pupils. Cost is kept low (£2.50 for morning club and £2 for After School Club) for parents and parents are able book on the day, if an emergency.			
Priority 2	Support families with attendance and a high level need.		
Review November 2022			
Head Teacher has met with identified parents to discuss attendance concerns. Education Engagement Officer meetings with Head Teacher and School Business Manager to discuss strategies to support identified families. Informal Coffee Morning and targeted 1 to 1 meetings with SENCO and parents/carers. Referrals have been made to other agencies when appropriate.			
Barriers to learning these priorities address	Improving attendance and readiness to learn for the most disadvantaged pupils		
Review November 2022			
Attendance continues to be an area of concern for our disadvantaged pupils.			
Projected spending	£8625		

Monitoring and Implementation

Area	Challenge	Mitigating action	Review November 2022
Teaching	Ensuring enough time is given over to allow for staff professional development	Use of INSET days and additional cover being provided by senior leaders	Little Wandle De-escalation training Ofsted Preparation Training Mainstream Core Standards Bespoke SEND training for Teachers and TA Maths EYFS The Nurture Curriculum
Targeted support	Ensuring enough time for school maths-lead to monitor and support small groups	Maths Lead to monitor maths curriculum – planning, lesson, books – one afternoon per term (6 times a year).	Maths lead has supported KS1 and UKS2 teacher with maths planning. Maths lead has lead staff meetings, they now need to monitor for impact.
Wider strategies	Engaging the families facing the most challenges	Working closely with the LA and the CARE group on cross-school outreach programme	Identified pupils have accessed off site learning opportunities and social emotional and mental health support. Mid Kent Mind have delivered a bounce back programme for targeted age groups.

Review: last year's aims and outcomes

Aim	Outcome	Review November 2022
Approaches to teaching and learning across the school will be strengthened to accelerate pupils' progress.	Progress has been impacted this year due to the disruption caused by the pandemic.	KS2 results, July 2022, demonstrate accelerated progress in reading, writing and maths.
Pupils are exposed to a range of social/cultural, outdoor and sporting experiences in order to raise	The lockdowns and Covid restrictions have limited the opportunities for extracurricular activities this year.	All classes have now been given the opportunity to participate in off-site learning. Children regularly attend sporting events and cross country competitions. The school choir are active at off site performances

aspirations and an enjoyment for education.	Forest School will continue for all year groups this academic year.	and events. We have a peripatetic music teacher in school weekly.
To raise the importance of social emotional well-being for the children across the school. For children to be able to deal with challenge more confidently.	have had to cope with a great deal of disruption and change this year. Social and emotional well-being has been focal to the curriculum and the pupils have been able to deal with the challenges confidently.	All children participate in weekly Forest School sessions, throughout the year. HeartSmart – PSHE resource-is fully embedded throughout the school. Mid Kent Mind delivered SEMH workshops in school which identified children who required further 1 to 1 support.
Attendance of PP-eligible children to be in-line with non-pp and at least national average.	Due to the pandemic, attendance for PP-eligible children has not improved. Continued focus to address this issue.	This remains as a priority area.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Activity	Evidence that supports this approach	Challenge number(s) addressed
 STAR reading tests to be completed by all children Y2-Y6 in terms 1, 2, 4 and 6 Assessment information is used to give an accurate picture of the attainment and progress of groups and individuals and identify gaps in learning – using 21 Steps, AR reports, phonics assessments and ongoing 		addressed
 teacher assessment Establish Reading Buddies across the school 		

to review and share maths policy and calculation policy • CPD Budget release to enhance teachers and TAs subject knowledge • Implement same day interventions to correct any misconceptions T p tid S E ta o h f f k	The EEF guidance is based on a range of the best available evidence: a details high quality targeted support an provide effective extra support for hildren. Small-group support is more likely to be effective when children with the great- est needs are supported by the most experienced staff; Training, support and resources are provided for staff using targeted activi- es; Sessions are brief and regular; Explicit connections are made between argeted support and everyday activities or teaching. https://d2tic4wvo1iusb.cloud- iront.net/eef-guidance-reports/early- maths/EEF_Maths_EY_KS1_Sum- mary_of_Recommendations.pdf
